To all In-Home Supportive Service (IHSS) Providers of Lake County: Nov. 8 through 14 is In-Home Supportive Services (IHSS) Home Care Worker Recognition Week.

There are nearly 1600 IHSS caregivers in Lake County giving quality care to IHSS recipients. The compassion and patience given to each recipient allows them the benefit of living in their own home environment safe and secure, knowing a provider will respond to their needs.

The IHSS Advisory Committee would like to acknowledge the quality care, commitment and compassion providers give to their recipients. Providers, continue standing for your recipients for what is right, proudly and professionally. We stand with you.

Thank you, IHSS providers of Lake County. Tom Gressley, chair, and the members of the Lake County IHSS Advisory Committee
