BARTLETT SPRINGS ‐ A collision involving a motorcycle and a pickup truck on the way to Bartlett Springs sent a Clearlake teen to the hospital Sunday night with major injuries.

The California Highway Patrol incident logs reported that the crash occurred six to seven miles up Bartlett Springs Road at 6:20 p.m.

Battalion Chief Ken Petz of Northshore Fire Protection District's Upper Lake station reported Sunday that Northshore firefighters were the first on the scene at the crash.

The CHP logs reported that the motorcyclist was a 15-year-old male from Clearlake.

Petz said the teen suffered a compound fracture and was transported by REACH helicopter to Santa Rosa Memorial Hospital for treatment.

No information was available on the pickup driver.
