LAKE COUNTY – Saturday's wet weather coincided with traffic collisions around Lake County. The California Highway Patrol incident logs reported eight collisions during the course of the day.

They included:

– A solo vehicle that went off the road at 9011 Soda Bay Road near Kelseyville at 12:48 a.m. No injuries were reported.

– A collision between a car and a pickup took place at 12:12 p.m. on Highway 29 across from Bell Park. Minor injuries resulted.

– Two vehicles were reportedly involved in a collision on Highway 175/the Hopland Grade at 2:58 p.m., with both cars going off the roadway. No injuries were reported.

– No injuries reported from a collision involving two vehicles on westbound Highway 20 at 3:20 p.m.

– Another crash occurred on the Hopland Grade at 4:01 p.m., involving a Honda Accord and an SUV. Minor injuries were reported and both vehicles needed to be towed. The accident blocked the eastbound lane of the highway.

– At 5:31 p.m. a vehicle hit the embankment on a blind corner while traveling westbound on Highway 20 just west of Tower Mart in the area between Clearlake Oaks and Lucerne. No injuries resulted.

– Another collision with no injuries occurred on eastbound Highway 20 at 6:42 p.m. Only one car was involved.

– At midnight, a vehicle was reported off the roadway on Highway 20 at mile marker 42. No injuries were reported.

In other road- and weather-related news, a boulder was reported in the road at one area along Highway 29 after 3 p.m.; and water was reported running across the roadway at Emerald and Borenbege Drives in Kelseyville just before 5 p.m.
