WASHINGTON – On Wednesday evening, Congressman Mike Thompson will host a live town hall meeting via telephone and he is inviting every resident of the 1st Congressional District to join him.

Participants will be able to ask Congressman Thompson about issues that impact the 1st District and he will respond on-the-spot for all to hear.

The town hall will take place from 7 p.m. to 8 p.m.

“Telephone town halls are a great way for people across our congressional district to discuss issues that impact us all, like the economy, energy, health care and the war,” said Thompson. “Our nation is facing a lot of challenges right now, and I believe this telephone town hall will be an important chance to hear directly from 1st District residents and talk candidly about solutions we’re working on in Congress. I hope everyone will join me on Wednesday night.”

To join, when the call starts dial 866-447-5149 and enter the passcode 13293.
