LAKE COUNTY – Firefighters quickly contained two small fires near Lower Lake and Kelseyville that broke out Friday afternoon.

The first fire, in grass along Highway 53 near Anderson Marsh State Historic Park, was reported about 3:30 p.m. Friday, according to the California Highway Patrol.

That fire was small and quickly contained; Cal Fire didn't have information on its size.

Later, another fire was reported north of Lakeport at Bridge Arbor Drive.

That fire, contained just after 6 p.m., burned about three acres, according to Cal Fire.
